

Congratulations on your purchase of Pantene Hair Mask! This user manual will guide you on how to effectively use the hair mask for optimal results. Please read this manual carefully before using the product.

Product Overview: Pantene Hair Mask is a specially formulated treatment that helps nourish, repair, and strengthen your hair. Designed to address various hair concerns, this hair mask provides deep conditioning and revitalization to enhance the health and beauty of your hair. With regular use, Pantene Hair Mask will leave your hair looking healthy, shiny, and manageable.

Important Precautions:

1. For external use only. Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
2. Conduct a patch test before initial use to check for any allergic reactions or sensitivities.
3. Discontinue use if any irritation or discomfort occurs and consult a dermatologist if necessary.
4. Keep out of reach of children.
5. Store in a cool, dry place away from direct sunlight.

Usage Instructions:

1. Shampoo:
 - Begin with clean, damp hair. Wash your hair with a suitable shampoo to remove any dirt, oil, or product buildup.
 - Rinse thoroughly and gently towel-dry your hair to remove excess water.
2. Application:
 - Open the Pantene Hair Mask container or packet.
 - Take an appropriate amount of the hair mask based on your hair length and thickness.

- Apply the mask evenly from mid-length to ends, focusing on the areas that need the most attention.
- Gently massage the mask into your hair and distribute it evenly using your fingers or a wide-toothed comb.

3. Waiting Time:

- Allow the Pantene Hair Mask to penetrate your hair by leaving it on for the recommended duration mentioned on the packaging or as instructed by the manufacturer.
- For better results, cover your hair with a shower cap or wrap it in a warm towel to create a gentle heat effect.

4. Rinse:

- After the specified waiting time, thoroughly rinse your hair with lukewarm water until the mask is completely removed.
- Ensure that no residue of the hair mask remains on your hair or scalp.

5. Conditioning (Optional):

- If desired, you can follow up with your regular conditioner to further enhance the conditioning effect.
- Apply the conditioner from mid-length to ends, avoiding the scalp.
- Leave it on for a few minutes, then rinse it out.

6. Styling and Drying:

- Proceed with your regular styling routine, such as air-drying or blow-drying your hair.
- Style your hair as desired using your preferred hair care products.

7. Frequency:

- For optimal results, use Pantene Hair Mask as often as needed, depending on your hair's condition and the recommendations provided by the manufacturer or your hair care professional.
- Adjust the frequency of use based on your hair's needs and desired level of nourishment.
