

## DOVE CONDITIONER USER MANUAL

Congratulations on your purchase of Dove Conditioner! This user manual will guide you on how to effectively use the conditioner for nourished and healthy-looking hair. Please read this manual carefully before using the product.

**Product Overview:** Dove Conditioner is a specially formulated hair care product designed to provide deep conditioning and moisture to your hair. With its unique blend of ingredients, this conditioner helps to replenish and restore the natural beauty of your hair, leaving it soft, smooth, and manageable. Whether you have dry, damaged, or frizzy hair, Dove Conditioner will help enhance its overall health and appearance.

### Important Precautions:

1. For external use only. Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
2. Conduct a patch test before initial use to check for any allergic reactions or sensitivities.
3. Discontinue use if any irritation or discomfort occurs and consult a dermatologist if necessary.
4. Keep out of reach of children.
5. Store in a cool, dry place away from direct sunlight.

### Usage Instructions:

1. Shampoo:
  - Begin with clean, damp hair. Wash your hair with a suitable shampoo to remove any dirt, oil, or product buildup.
  - Rinse thoroughly and gently towel-dry your hair to remove excess water.
2. Application:
  - Open the Dove Conditioner bottle or tube.

- Take an appropriate amount of conditioner based on your hair length and thickness.
- Apply the conditioner evenly from mid-length to ends, focusing on the areas that need the most conditioning.
- Gently massage the conditioner into your hair and distribute it evenly using your fingers or a wide-toothed comb.

### 3. Waiting Time:

- Allow the Dove Conditioner to work its magic by leaving it on for a few minutes.
- Use this time to relax and enjoy the soothing sensation.

### 4. Rinse:

- After the waiting time, thoroughly rinse your hair with lukewarm water until the conditioner is completely rinsed out.
- Ensure that no residue of the conditioner remains on your hair or scalp.

### 5. Styling and Drying:

- Proceed with your regular styling routine, such as air-drying or blow-drying your hair.
- Style your hair as desired using your preferred hair care products.

### 6. Frequency:

- For optimal results, use Dove Conditioner regularly, depending on your hair's condition and the recommendations provided by the manufacturer or your hair care professional.
- Adjust the frequency of use based on your hair's needs and desired level of conditioning.
