

## SHEA BUTTER HAIR MASK USER MANUAL

Congratulations on your purchase of Shea Butter Hair Mask! This user manual contains important information and instructions to help you achieve optimal results for your hair care routine. Please read this manual thoroughly before using the Shea Butter Hair Mask.

**Product Overview:** Shea Butter Hair Mask is a luxurious and nourishing treatment designed to deeply condition and revitalize your hair. Enriched with the goodness of shea butter and other beneficial ingredients, this hair mask helps to restore moisture, improve hair texture, and promote overall hair health. With regular use, Shea Butter Hair Mask will leave your hair soft, smooth, and manageable.

### Important Precautions:

1. For external use only. Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
2. Conduct a patch test before initial use to check for any allergic reactions or sensitivities.
3. Discontinue use if any irritation or discomfort occurs and consult a dermatologist if necessary.
4. Keep out of reach of children.
5. Store in a cool, dry place away from direct sunlight.

### Usage Instructions:

1. Shampoo:
  - Start with clean, damp hair. Gently cleanse your hair with a mild shampoo to remove any dirt, oil, or product buildup.
  - Rinse thoroughly and towel-dry your hair to remove excess water.
2. Application:
  - Open the Shea Butter Hair Mask container or packet.

- Take an adequate amount of the hair mask in your palm, depending on your hair length and thickness.
- Apply the mask evenly from roots to ends, ensuring all strands are coated.
- Massage the mask into your hair and scalp for better absorption.

### 3. Waiting Time:

- Once applied, leave the Shea Butter Hair Mask on for the recommended duration mentioned on the packaging or as instructed by the manufacturer.
- For enhanced results, cover your hair with a shower cap or wrap it in a warm towel to create a gentle heat effect.

### 4. Rinse:

- After the waiting time, thoroughly rinse your hair with lukewarm water until the mask is completely washed out.
- Make sure to remove all traces of the hair mask from your hair and scalp.

### 5. Conditioning (Optional):

- If desired, you can follow up with a regular conditioner to further nourish and detangle your hair.
- Apply the conditioner from mid-length to ends, avoiding the scalp.
- Leave it on for a few minutes, then rinse it out.

### 6. Styling and Drying:

- Proceed with your regular styling routine, such as air-drying or blow-drying your hair.
- Style your hair as desired using your preferred hair care products.

## 7. Frequency:

- For best results, use Shea Butter Hair Mask once or twice a week, or as recommended by the manufacturer or your hair care professional.
- Adjust the frequency based on your hair's condition and individual needs.
